

CLARK COUNTY STAFF REPORT

DEPARTMENT: Juvenile Court

DATE: July 6, 2021

REQUESTED ACTION: Close the Juvenile Court revolving checking account

☒ Consent ☐ Hearing ☐ County Manager

BACKGROUND

In September 2003 a revolving checking account in the amount of \$5,000 was created to be used by the Juvenile Court Connections Program for non-traditional funded services (SR394-03). In March of 2009 the balance of the account was reduced to \$2,500 due to decreased use of the account (SR63-09).

In early 2021 Clark County began the transition of financial banking services from Bank of America to JP Morgan Chase. During the Auditor's office research and exploration of open revolving checking accounts, the request was made by the Auditor's office to close the Juvenile Courts revolving checking account. As the use of existing community resources has lessened the number of requests for non-traditional funded service payments at the Juvenile Court, and with the current availability of advanced payment ability, the Juvenile Court agreed with the decision to close the revolving checking account. The allocated budgeted funds have been repurposed through programming changes from the non-traditional funded service requests into other programming for the youth.
